STUDENT CONDUCT EXPECTATIONS FOR SUMMER MUSIC INSTITUTE AT UTSA

Campers are expected to acquaint themselves with the rules, procedures and standards of conduct established by the UTSA Summer Music Institute. A camper who does not fulfill the responsibilities set out by such rules, procedures and standards of conduct may be subject to disciplinary action, including dismissal from camp.

- Campers are required to wear their nametag in clear view at all times.
- Clothing must be appropriate. Same rules as public schools.
- Every activity for camp has a designated parameter (e.g. the Music Building, the Cafeteria). For security reasons, campers are to remain within the designated parameter, and when traveling across campus, will need to do so with a staff person. Campers should not have any need for internet use. UTSA will not be liable for the loss or theft of laptop computers or other electronic devices the student may bring to camp.
- For safety reasons, any outside visitors will need to check in with the Camp Director.
- Campers are expected to eat all contracted meals within the camp parameters. No camper may leave campus for meals.
- No violation of any local, state, or federal law is permitted. (Includes alcoholic beverages for a minor and smoking.)
- Possession of illegal drugs, drug paraphernalia, fireworks, chemicals, gasoline, or other explosives, firearms, illegal knives, clubs, or prohibited weapons is reason for immediate removal from the camp without refund. Prescription and over-the-counter medication are only allowed if listed on the medical form that is enclosed in this packet.
- Absolutely no form of sexual misconduct, harassment, violence, threats of violence, or other acts of communications intended to intimidate, harass, or annoy will be tolerated.
- Campers may not be in dorm rooms of campers or staff of the opposite sex. Common areas are provided in the dorms.
- Be respectful of other guests staying in the dorms and in the music building. There are faculty and students using the building and other camps and UTSA students staying in the dorm during the summer. No running or loud noise of any kind is permitted in the hallways or practice rooms. Rooms must remain quiet at the time of curfew, which can be found on your schedule. No pets allowed.
- Do not remove or harm the furniture or property in the music building dorms. Payment of any damage to the UTSA facility is the camper’s responsibility.
- Dorm room keys are issued for personal use and are not transferrable. Lost keys must be reported immediately to a counselor.
- Do not tamper with any fire equipment, including extinguishers, exit signs, smoke detectors, sprinklers, fire alarms, and fire doors. There is to be no use of fire in the music building or dorm rooms, including burning candles and incense.
- Should there be any maintenance related problem evident in the music building or in your dorm room, particularly safety related issues or flowing water, you should report it immediately to a camp counselor.
- Respect the property of others, particularly instruments, and practice caution (No drinks on pianos, watch for instruments that may be placed on chairs, etc.)

I have read the UTSA Department of Music Summer Camp and Housing Rules. I understand that failure to adhere to these rules may result in disciplinary action that may lead to dismissal from camp without refund.
If there is a violation of campus, local, state, or federal law, the proper authorities will be notified and any consequent legal action will be separate from the UTSA Camp jurisdiction.
