2016 UTSA ALL-STATE Choir camp
June 26th – 29th
Camp counselor duties

It is required that an applicant for the position of Choir Camp counselor be a UTSA Department of Music student, alumnus, and/or a member of a UTSA Department of Music ensemble during the 2015–2016 school year.

Expected duties include:

1. To sing in the sectional rehearsals with the campers (voice part assigned). Cell phone must not be out during rehearsals.
2. To supervise campers. Each Counselor may be assigned up to 10 campers as their "pod." Counselors will be responsible for their pod at all times to include: meals, recreation periods, evening activities, night check, and lights-out. The Camp Coordinator may assign other responsibilities.
3. To reside in the dorm during the camp. Counselors may NOT leave their assigned dorm areas at night without the prior approval of the Camp Coordinator.
4. To assist in the registration and departure process as well as Saturday pre-camp set-up & last day post-camp break-down. This time period includes facilities preparation, registration, auditions, orientation, daytime activities/rehearsals, evening activities, necessary post-camp duties on the final day of the camp, and any other duties that may be assigned by camp administration during the course of the camp week.
5. To attend the first counselor workday in June (date to be determined) at which time duties are decided and activities are learned.
6. To attend the second counselor workday in June (July 22nd or 23rd) at which time folders, t-shirts, and registration duties are distributed, and student materials are assembled.
7. To fulfill any additional assigned duties as designated by Camp Coordinator, Activities Director, or other administrative staff. Counselors are expected to be present at all assigned duties. Failure to appear or to notify of absence may result in termination of this contract.
8. To uphold camp rules as stated in your counselor packet and to provide your presence and positive role model for campers. Counselors are expected to address their camp duties with the highest ethical and moral standards. You may need to confront the following issues: physical safety, alcohol, drug abuse, sexual activities, firearms, angry parents, or disappearance from the camp. The use of alcohol, inappropriate language, or social contact with campers is strictly prohibited at all times for the duration of the camp. This includes 21st Birthday parties. Inappropriate social contact with other counselors is also strictly prohibited. If you are a smoker, you may not smoke in the presence of campers.
9. Wear the assigned Staff and Camp t-shirts on the designated days.

Full payment of stipend is contingent upon successful completion of all assigned duties, compliance with all camp rules, and completion of any necessary payroll forms.

Pay: $200.00 plus housing, meals and t-shirt

Counselors must be available from 12:00 PM Sunday (the day camp begins) through Wednesday, the last day of camp, until 6:00 PM. Counselors may attend UTSA summer school classes during camp. However, camp is very intensive and will not allow for much personal time for your studies. A copy of your class schedule and any special scheduling issues must be resolved prior to camp with the Camp Coordinator. Do not schedule summer classes during the 12:00 PM – 2:00 PM time.

UTSA Choir Camp requests your patience regarding notification of acceptance as a counselor. Determination of the number of counselors required is made as registration reaches its peak. We will do our best to keep you informed. Counselors will be announced on or before April 15th.
