Check-in

Workshop check-in will occur on the second floor of the Arts Building on the Main Campus at UTSA on Monday, July 16 at 8:00am. You will receive a detailed schedule, a name badge, and a parking pass at that time. If you are staying on campus, you will need to pay the $30.00 per night lodging fee at that time. Make checks payable to UTSA.

We recommend parking in the Ximenes Garage and then walk over to the Arts Building for check-in. The Ximenes Garage is marked XAG on the map on this page - [http://www.utsa.edu/campusservices/docs/Park-Trans_Map.pdf](http://www.utsa.edu/campusservices/docs/Park-Trans_Map.pdf). The Arts Building is marked ART on that map and is a short walk from the Garage.
**Parking**

For those staying on campus in the Laurel Village residence hall, you will receive a parking pass good for any Housing Resident space. The closest surface lot is located across the street from Laurel Village (the lot is marked R2 in blue on the parking map).

For those commuting from a location off campus, you will need to pick up a parking pass when you check in for the workshop at 8:00am on Monday, July 16. You will need to park in a paid space during check-in. The closest paid spaces are located in the Ximenes Avenue Garage (marked XAG on the parking map).

Your commuter parking pass will allow you to park in any Employee A or Employee B space. Parking passes are not valid in the parking garages. If you plan to arrive before Tuesday, July 5, please let me know so that I can arrange to have your parking pass available when you arrive.

**Meals**

Breakfast refreshments of pastries and fresh fruit will be provided Monday through Friday morning in the Arts Building beginning at 8:00am. All other meals are on your own. There are several fast-food type restaurants on campus and many restaurants within short driving distance from UTSA. Check out to https://utsa.campusdish.com view the on-campus dining options. Please make a note of the summer hours for each on-campus dining location.
