UTSA DEPARTMENT OF MUSIC
Prepared Melodies for Graduate Entrance Exam

- Prepare each of the following four melodies prior to your UTSA audition day.
- Each student will sing one of these four melodies during the exam (as selected by music faculty).
- Students should sing the melodies using a pitch labeling system. Solfege is preferred, but numbers are acceptable if that is the system used at the student’s previous college or university.
- Students will be required to conduct the beat while singing the melody.
- Follow suggested tempo ranges when practicing and performing these melodies.

Melody A
\( \frac{\text{d} = 62-80}{\text{b}} \)

Melody B
\( \frac{\text{d} = 60-72}{\text{b}} \)

Melody C
\( \frac{\text{d} = 72-84}{\text{b}} \)

Melody D
\( \frac{\text{d} = 54-66}{\text{b}} \)
