UTSA Flute Camp Rules (2013)

Campers are expected to acquaint themselves with the rules, procedures and standards of conduct established by the UTSA Flute Camp. A camper who does not fulfill the responsibilities set out by such rules, procedures and standards of conduct may be subject to disciplinary action, including dismissal from camp.

- Campers are required to wear their name tag in clear view at all times.
- Clothing must be appropriate. Same rules as public schools.
- Every activity for camp has a designated parameter (e.g. the Music Building, the Dorm, the Cafeteria). For security reasons, campers are to remain within the designated parameter, and when traveling across campus, will need to do so with a UTSA Flute Camp staff person. Campers should not have any need for internet use, therefore campers are prohibited from internet use while on campus. UTSA will not be held responsible for actions of a camper who is in violation of these rules.
- For safety reasons, any outside visitors will need to check in with the Camp Director.
- Campers are expected to eat all contracted meals within the camp parameters. No camper may leave campus or have meals delivered to them by friends or family. Special concerns should be written.
- No violation of any local, state, or federal law is permitted. (Includes alcoholic beverages for a minor and smoking.)
- Possession of illegal drugs, drug paraphernalia, fireworks, chemicals, gasoline, or other explosives, firearms, illegal knives, clubs, or prohibited weapons is reason for immediate removal from the camp without refund. **Prescription and over-the-counter medication is only allowed if listed on the Medical form that is enclosed in this packet.**
- Absolutely no form of sexual misconduct, harassment, violence, threats of violence, or other acts of communications intended to intimidate, harass, or annoy will be tolerated.
- Campers may not be in rooms of campers or staff of the opposite sex.
- Should there be any maintenance related problem evident in your dorm room, particularly safety related issues or flowing water, you should report it immediately to a camp counselor.
- Removing window screens is prohibited. Therefore, the window is not to be used as a point of entry or exit, and items may not be thrown from windows.

SUPERVISION FOR OVERNIGHT CAMPERS
Campers are housed in Laurel Village located on the UTSA campus. They live with a roommate and share a bathroom. Counselors’ rooms are on the same floor with their assigned campers.
Although requests cannot be guaranteed, residential campers may indicate a preferred roommate on the registration form. Campers who both specifically request one another will automatically be assigned as roommates. Most campers will be staying in a large suite accommodating four campers to a room, so please feel free to indicate more than one roommate choice. In the event that several campers request the same person, we will do our best to accommodate the camper’s wishes. All further roommate requests or changes must be in writing. If no roommate preference is indicated, an effort will be made to match students of the same age. ROOMMATE ELECTION OR CHANGES WILL NOT BE PERMITTED AFTER June 1st. Campers may not switch roommates upon arrival at or during camp. Visitation between campers of the SAME GENDER housed on different floors is allowed at the discretion of the campers’ assigned counselors. Campers are advised to keep their rooms locked and to leave non-essential and valuable personal items at home. Never leave items of value unattended. The camp cannot be responsible for loss of campers’ personal money or other assets.

Check-out for overnight campers
Check out of the dorm rooms on Friday morning before classes begin. The counselor and camp faculty will help transport belongings to the music building for storage. All belongings can be picked up at 3 PM, immediately following the final concert. Any items left behind will be held in the Music Office (210-458-4354) for 2 weeks, and thereafter donated to charity.

MEALS
In addition to the daily lunch provided to all campers, overnight campers will be dining in the Roadrunner café for breakfast and dinner each day.

Additional Rules for overnight campers
